**KIN MINING UPDATE**

Kin Mining NL (ASX:KIN) is pleased to announce the following update to the market.

**Mining and Production at Lewis Trial Mining**

The trial mining excavation at the Stage 1 East Pit at Lewis within the Cardinia Project Area has now been completed (see Figure 1).

*Figure 1: Extracting Remaining Ore at the Final Bench within Lewis Stage 1 East Pit*

The Company has executed a Toll Milling Agreement with Golden Mile Milling's Lakewood Treatment Plant to process a parcel of ore totaling approximately 15,000 tonnes. Furthermore, the Company has executed a Cartage Agreement with MLG Oz Pty Ltd to Load and Haul to the processing facility. First ore is likely to be processed within the coming weeks. All costs associated with the Load, Haul and Processing will be met from production revenue generated from gold sales during the period.

**Extension of Loan – Mr Fritz Fitton**

Kin is very pleased to announce that the \$1 million loan provided by Mr Fritz Fitton, the company's Technical Director, to assist with the acquisition of the Leonora Gold Project in October 2014 will be extended for a further 12 month term commencing on the 24<sup>th</sup> October 2016 on the same terms and interest rate as previously announced.

Yours Faithfully

Joe Graziano  
Company Secretary
